Summer Vacation

Dear Parents

The Academic session 2023-24 has begun in full swing and students have well settled in their classes. Now with the summer temperature soaring high, children look forward to vacation time when they can relax , visit friends and family , travel to see places and basically chill out enjoying those little pleasure of life which get left behind during the school busy routine.

The summer vacation begins from **18th May** and school will re-open on **1st July 2023**.

To keep the children engage, we have planned some holiday homework & Projects that we are given to keep them active and observant. These Project can easily done by children. You are requested to assist only where required.

The School office will remain open on all working days between 9:00 am to 2:00 pm till 31st May.

Wish you and your family a happily time together during the vacation.

With Warm Regards
